## UPDATE FOR 2019 BONUS RACE FINALS

Wanted to share some helpful info to enjoy your stay with us.

LEC has been renovating its permanent campgrounds and we now offer water at each campsite! Due to preparations for the NHSFR in July 2020 there is active construction throughout the grounds--many lots have been freshly graded and seeded, plus Havelock Avenue is being expanded and is currently closed. Due to all of this, please pay close attention to the contestant parking map as parking will be different this year. We appreciate in advance your patience and believe all our shows will really enjoy all the improvements starting next year. We look forward to seeing you all in June!

### Parking

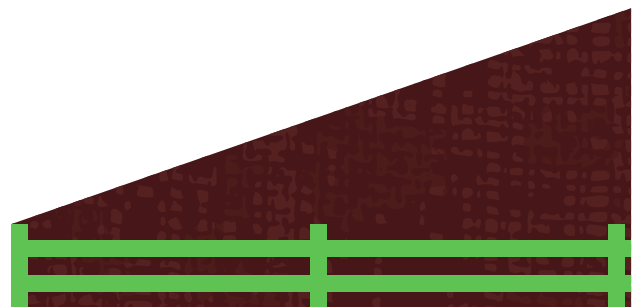

- **Enter /exit using Gate 1 off 84<sup>th</sup> Street** (all Havelock Ave. access on north side of LEC closed except for emergencies). There is a temporary traffic light that will speed your exit.
- Please see attached parking map to make entry, load in and parking smooth for everyone and note fire lanes for everyone's safety.
- You will be able to enter starting **Thursday, June 6th at 8am.**
- Parking staff will be on hand to help you get around faster and to manage 20 minute loading zones between the barns.
- **When you arrive, please be prepared to stop and give the parking staff your stall and/or camping stall numbers** so they can direct you & give you a 20-minute loading zone pass.
- After load-in, **trailers may be parked in designated lots only – see map.**
- “No Trailer Parking Lots” are reserved for everyone's vehicles and golf carts to make it easier and safe for everyone & horses to get around during the event.
- Golf carts must be in marked parking stalls or golf cart parking areas – not in fire lanes or in front of people doors which are fire exits.

### Day Jump outs

- **Enter using Gate 1 off 84<sup>th</sup> Street & follow signs for jump-out / trailer parking.**
- If lots of rain, be sure to check stability of grass/dirt before going off the asphalt or gravel. Park at your own risk. There is no towing service on site, we suggest AAA or your provider.
- **Please note No Trailer Parking areas on map.**

### Camping

- **Only pre-reservations may enter the campground.** If you need your pre-reserved camping spot number, see reservation list & map at small red barn at campground entrance.
- **All spots available only by pre-reservation online at [LancasterEventCenter.org](http://LancasterEventCenter.org) starting at 10am May 21st until sold out.**

- You may also check on arrival at the General Store in Pavilion 2 east side if any camping spots have been turned in to be re-sold or to be put on our waiting list.
- There are no camping refunds but we are happy to try to re-sell your spot—let us know at 402.441.6545 (M-F, 8-5) or upon arrival at the General Store in Pavilion 2 (east side).

#### **Overnight Arrivals or After Hours Assistance**

- We will have LEC operations staff on duty **overnight Thursday through Saturday night**.
- Contact **402-429-4536 to locate** the overnight staff member on duty for check-in, shavings or other assistance.

#### **Nixall Disinfectant**

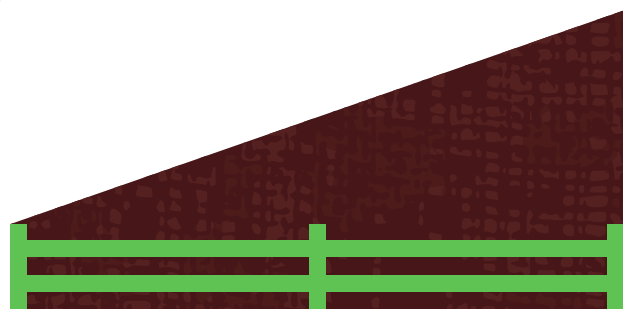

- Over 5 years now, we have disinfected every stall before new horses arrive and zip-tie each stall closed with a Nixall tag. (See [nixall.com](http://nixall.com))
- Barn corridors, wash bays, arenas are also disinfected between shows.
- We have small bottles of Nixall available at reasonable cost from the General Store.

#### **Shavings**

- **Save time and order online by Noon June 3rd.** Include your stall number in your order. (If you already ordered before you knew your stall number, we will add your stall number as long as you used the same name to order shavings as name on the stall list--if not, call us!)
- **Shavings** are \$9 per bag with tax and include delivery to your stall and helps us recoup the costs of Nixall disinfecting of every stall and all barn/arena areas.
- **No outside bedding** - other than rubber mats are allowed as **we compost our shavings**. Thanks also for keeping all trash out of shavings--including hay strings & syringes.
- **Rubber Mats** - see show website to reserve from show vendor. If vendor runs out, you may contact our General Store.
- Starting June 4<sup>th</sup> shavings are available for order only on site from our General Store.
- Stalls - due to a large show immediately after this show, stall stayovers to Monday am are only possible if emergency--please contact LEC Manager on Duty at 402-429-4536 for arrangements.

- Handy location for you at **east entrance of main stalling barn, Pavilion 2**.
- **New healthy food & snacks**—freshly made deli sandwiches choice of Ham, Turkey or Roast Beef, granola & CLIF protein bars and more!
- **Beverages**—from sodas to your favorite beers & mixed drinks.
- **Camping, Shavings, Hay, Nixall disinfectant** available here as well.
- **Hours: Thurs-Sat 7am - 11pm, Sunday 7am - 1pm**

(between Pavilions 1 & 4 by main show arena)

- Thursday: 7am - 10pm
- Friday & Saturday: 7am - 11pm
- Sunday: 7am - 5pm
